

# T2Parking CITIES

**Add Vehicle Types**

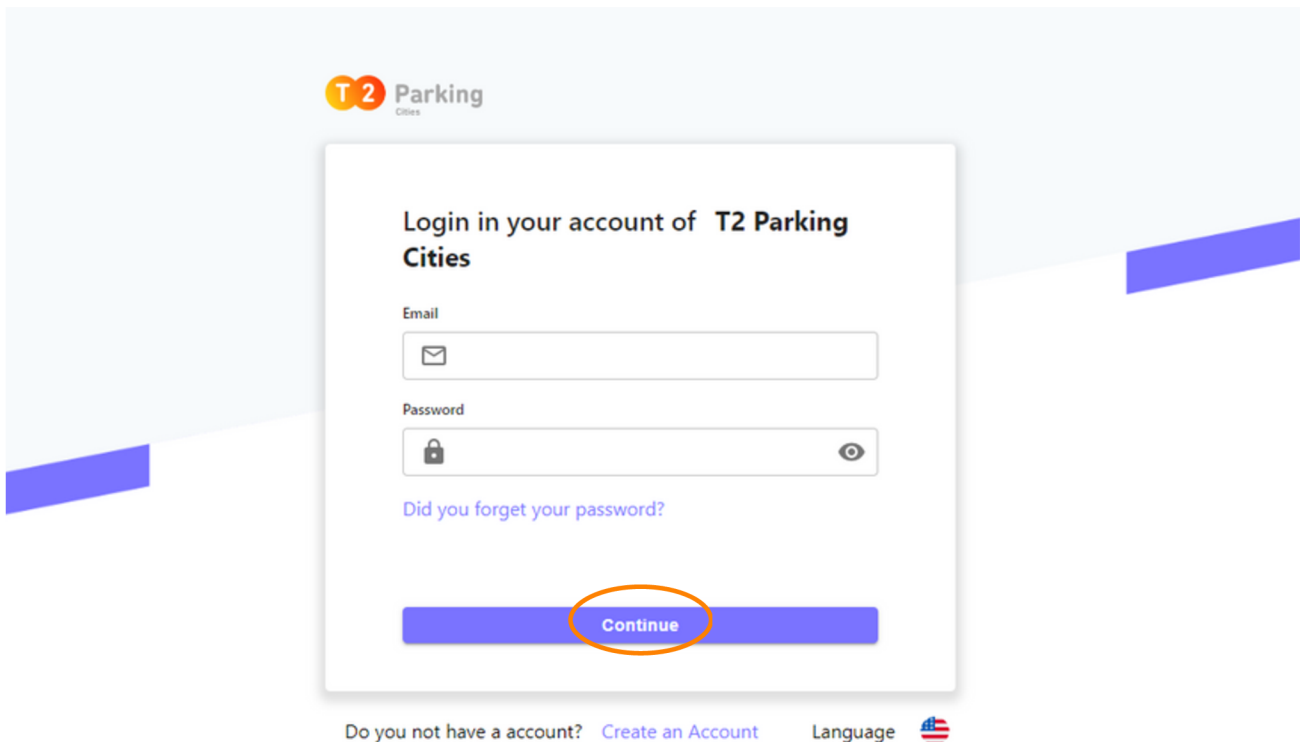

# Step-by-step guide to add vehicle types.

In this tutorial, we will show you how to use the T2Parking Cities app to create a vehicle type. Our portal offers some basic vehicles by default, such as Car, Motorcycle, and Work Truck. If you want to add other types of vehicles to manage the metered parking in your city, this section will show you how to create them. After that, they will be available in your vehicle type stack to include them in your tariffs.

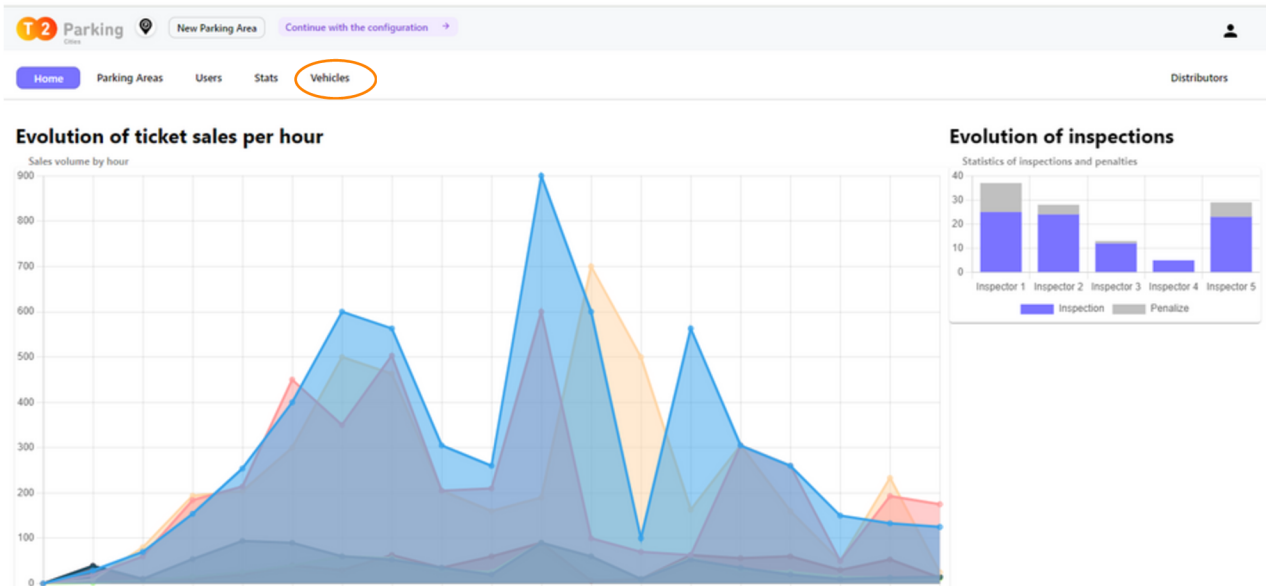

1

Go to the T2Parking portal and enter your email and password. Press "Continue".

The screenshot displays the login interface for T2 Parking Cities. At the top left, the logo 'T2 Parking Cities' is visible. The main heading reads 'Login in your account of T2 Parking Cities'. Below this, there are two input fields: 'Email' with an envelope icon and 'Password' with a lock icon and a toggle eye icon. A link 'Did you forget your password?' is positioned below the password field. A prominent blue button labeled 'Continue' is circled in orange. At the bottom, there is a link 'Do you not have a account? Create an Account' and a 'Language' selector with a US flag icon.

- 2 Upon entering the T2Parking Cities portal, you will access your city's metered parking configuration panel. Select the "Vehicles" option in the menu.

- 3 Here you will see all the vehicle types configured in your system. In the image, you can see the default vehicles. If you want to add others to include them in the metered parking system, press "Create New Vehicle".

The screenshot shows the 'All Vehicles' configuration page in the T2Parking Cities portal. The 'Vehicles' menu item is highlighted in the top navigation bar. A red circle highlights the '+ Create new vehicle' button. Below the button is a table of configured vehicle types:

<input type="checkbox"/>	NAME	DESCRIPTION	CREATION
<input type="checkbox"/>	AUTO	Vehiculos comunes	July 24th 2023, 9:59:41 am
<input type="checkbox"/>	MOTOCICLETA	Motocicletas o vehiculos de 2 ruedas	July 24th 2023, 9:59:42 am
<input type="checkbox"/>	CAMION DE TRABAJO	Vehiculos pesados o de trabajo	July 24th 2023, 9:59:44 am
<input type="checkbox"/>	Maquinaria Pesada	Maquinaria pesada para construcción	May 30th 2024, 8:11:31 pm

At the bottom right of the table, there is a pagination control showing 'Rows per page 5' and '1-4 of 4'.

4

Define an identifier name for the vehicle and a description. Then press "Create".

Create new vehicle
