

Getting Started Users

T2Parking - Users

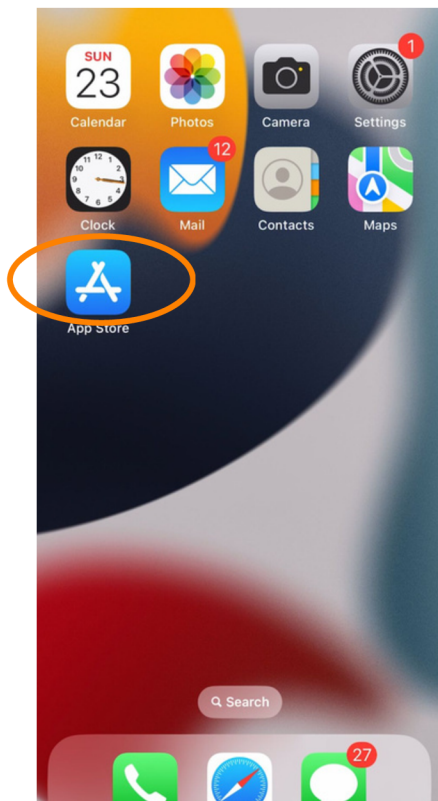

Step-by-step guide for downloading, registration, and initial setup.

In this guide, we will provide instructions for those interested in becoming T2Parking users.

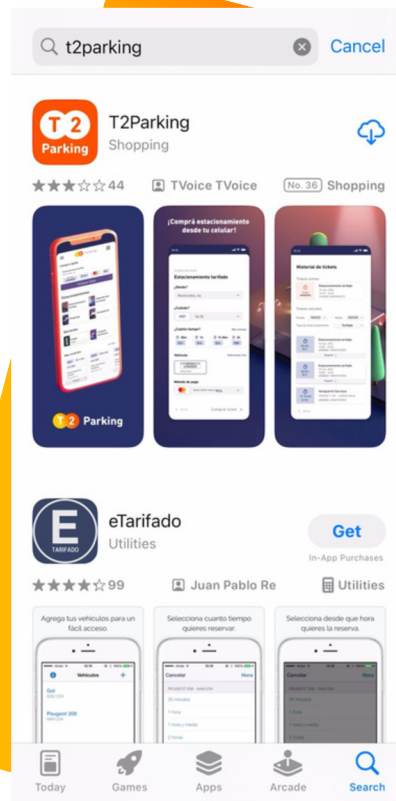

By following these simple steps, you will be able to download the application, create an account, and complete the initial setup to start using T2Parking and enjoy the benefits of easy parking wherever you are.

For these and more benefits, let's get started!

1 First, access the App Store or Play Store on your phone.

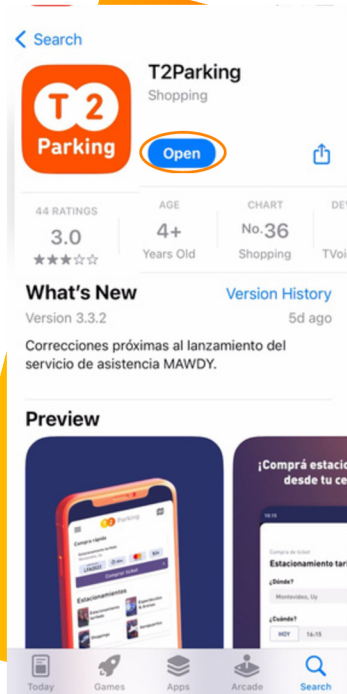

2 Type "T2Parking" in the search bar. Click "Download."

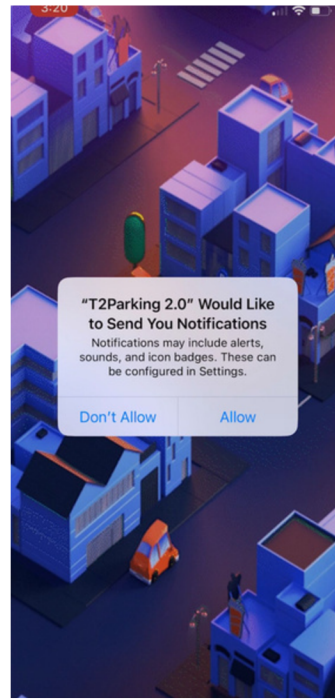

T2 Parking

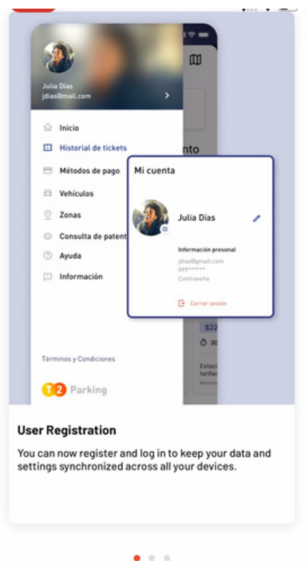

- 3 After a few seconds, the download will be completed and you can open the application.

- 4 Enable notifications so we can keep you informed about all transactions made in your application.

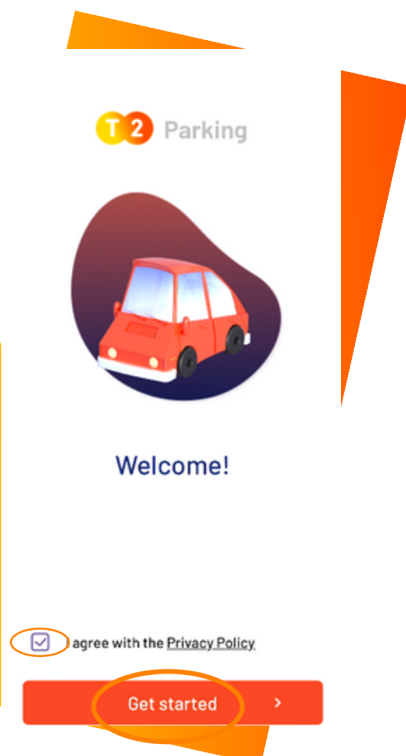

- 5 Next, you will get to this brief introductory section of the application. There are 3 screens. Select "Next" 3 times.

Next >

- 6 ¡Perfect! Accept the Privacy Policy to Get Started.

T 2 Parking

7 For this section, you have 3 options. Remember that you can remain anonymous if you prefer by selecting "Skip this step," but some functions will not be available.

If you don't want to register, skip to step 13.

Activate your account

An email was sent to verify the account, once this step is completed you can enter the application.

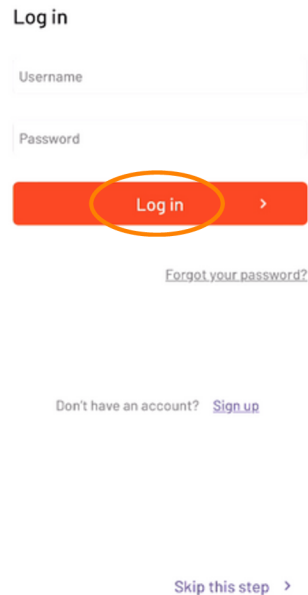

Accept

T 2 Parking

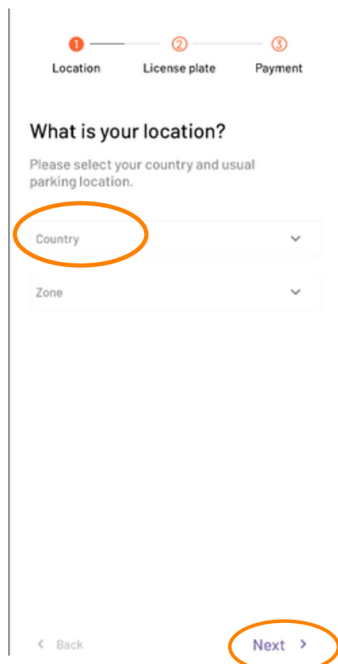

- 11 In your email inbox, you will find this email with a validation button. Click on it to continue.

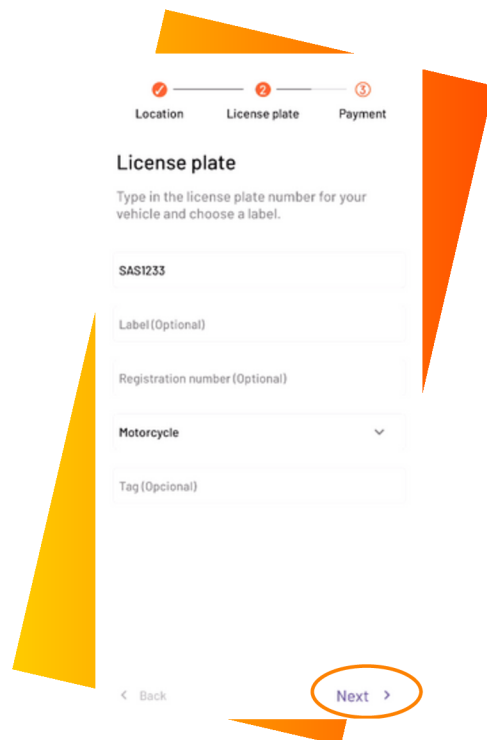

- 12 Now you can log in with your username and password. Press "Log in."

- 13 After registration, you will see this section with 3 simple steps for the initial setup. Select your location. The country and city where you are located.

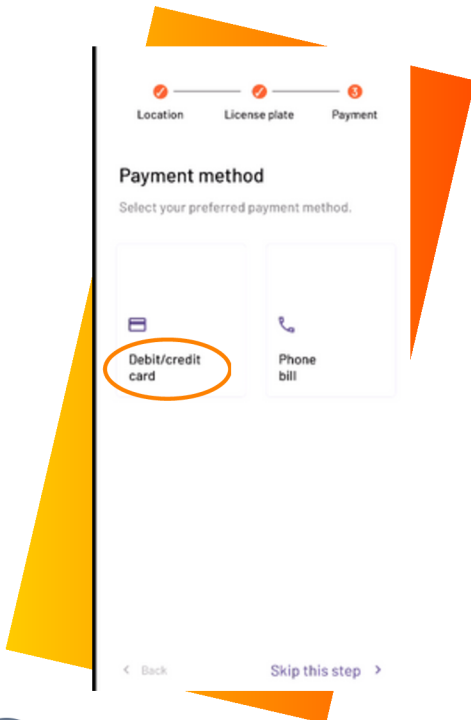

- 14 In step 2, register a vehicle to use with the application.

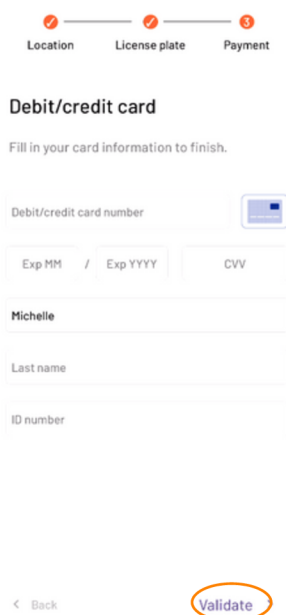

T 2 Parking

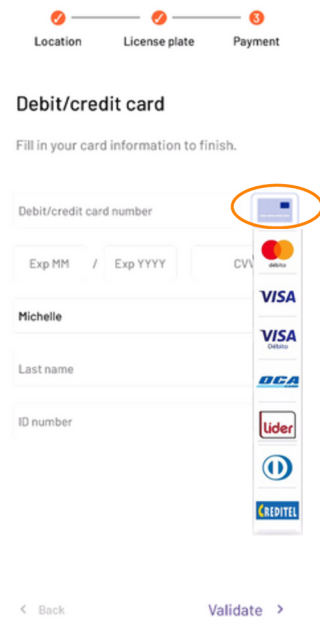

15 In this final step, you can register a payment method. Let's use a Credit/Debit card, as it is accepted for all services in all cities and countries.

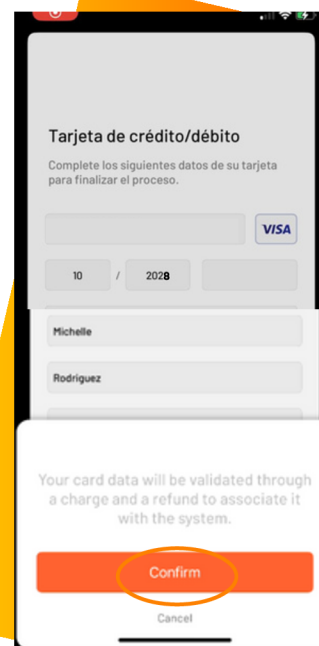

17 Then fill in the requested information. Press "Validate."

16 To enter a card, first tap the card icon to define which type of card you will use.

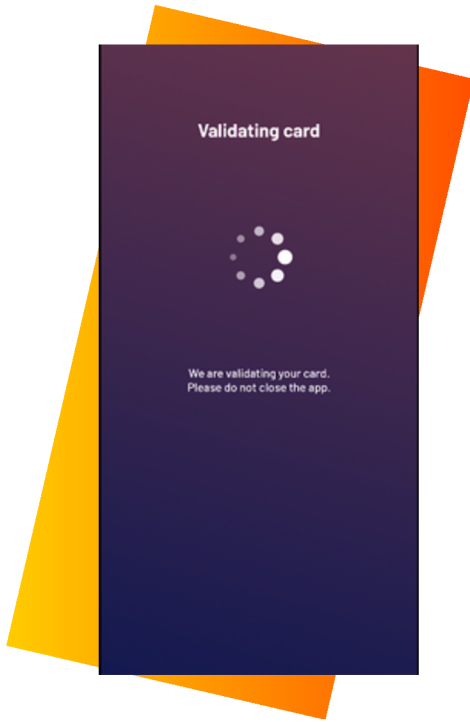

18 A charge and a refund will be made as a card validation method. Select "Confirm."

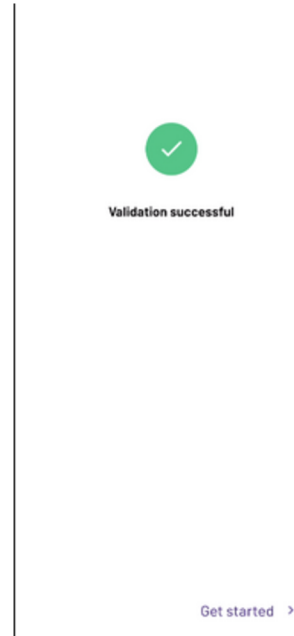

T 2 Parking

- 19 Wait a few seconds for the validation to be confirmed.

- 20 You will receive the following message once your payment method has been validated.

- 21 Now, when you access "Payment methods," you will see your linked card on the screen.

- 22 Done! Now we can enjoy all the benefits that the application offers.
